Dear Sirs,

Secured by Design Accreditation, Sky Gardens, Manchester

Following the site inspection on 24th November 2021, I am satisfied that the information provided and the work undertaken so far is consistent with the requirements of Secured by Design and the project is therefore on course to qualify for the SBD Gold award, subject to authentication of the security measures on completion of the outstanding items.

Thank you for your commitment to crime prevention demonstrated by your compliance and support of the Secured by Design Developers' initiative.

Yours faithfully,

Michael Craig
