Attachments: MAN295 - Highways Developer Notice.pdf; Site Drawings.pdf; Site Location Plan.pdf

Proposed Installation of Telecoms Equipment at Junction of Rochdale Road, and Levedale Road, Higher Blackley, Manchester M9 6JR

For the attention of the Head of Highways

Dear Sir or Madam,

Please find attached a developer's notice that is required under the Town and Country Planning (General Permitted Development) (England) (Amendment) (No.2) Order 2016 to inform you that a planning application for GPDO Prior Approval is to be submitted.

For your interest please find attached a copy of the planning drawing that will be used as part of the application, in which the site in question is found on adopted highways controlled land that is maintained at the publics expense, hence a developer's notice is served on yourselves as the Highways Authority.

Should you have any further queries regarding the proposal then please do not hesitate to contact the undersigned.
