Regent Half Lanterns
Lacquered and polished copper, brass or black lanterns.
Construction: Lanterns are made from copper in the traditional way: folded or pressed components soldered or riveted, highly polished and stove lacquered.
Size: W250mm, H550mm.
Glazing: The standard glazing material is uv polycarbonate sealed into the frame. Lantern has a glazed bottom.
Electrics: All have a standard screw type E27 lampholder, 3 or 4m of cable and are CE marked.
