John,

17 Didsbury Park Manchester M20 5LH - 130348/TCA/2021

I can confirm that I have viewed the condition of the tree from the photographs provided and we would have no objection to the proposed removal of this tree.

Eucalyptus trees are fast, large growing specimens.

Due to the basal decay, we would have no option but to allow removal to ensure the tree poses no risk.

Kind regards

Rudi Farghaly
