3695 – VICTORIA BATHS – GALA POOL WINDOW RESTORATION

LISTED BUILDING CONSENT

EXISTING
The original windows frames are still in place. The frames have suffered from a lack of maintenance over the past thirty years and are beyond repair. The leaded glass was removed from the windows a few decades ago and is considered lost.

PROPOSALS
The proposal is to replace the windows to match the original in every detail. The windows are to be re-glazed with leaded glass to match the original established from black and white photos taken in 1905 when the building was first opened.

DESIGN & ACCESS STATEMENT
The windows are to match the original in every detail.
The replacement of the windows has no impact to access at the building.
