Subject: 40 Spring Gardens, City; applications 083108, 083783, 083289, 083780.

I refer to our telephone conversation and apologise for not sending this note yesterday as discussed.

I have reviewed the files and believe that the further information requested is appropriate and necessary.

I note your comments about timescales and your willingness to provide further information. In this context the files will not be returned but I will ask Tony Mitchell to agree a workable timescale with you.

Having looked at the files a brief meeting might be helpful to explain some of our thinking behind the requests. I am in this office today and most of tomorrow if that would help you.

Finally, I was looking at the sign shown in application 083289 and there appeared to be something 'wrong'. 40 Spring Gardens has two g's and 15 characters whilst the drawings and sections show one and 14 respectively.
