Details of the pre-application advice received

I was advised that external wall insulation would not be approved on the front of the house due to conservation area status so I resorted to internal wall insulation on the front walls. I was told that I was likely to get approval for external wall insulation on the back of the house which can only be seen from a small alley used for bins.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
