Please find enclosed an application for discharge of Condition 7b attached to the listed building consent 129991/LO/2021. The application relates to works at the Science & Industry Museum's Air & Space Hall. The applicant is the Science and Industry Museum (acting on behalf of The Board of Trustees of the Science Museum).

The description of development for the Listed Building Consent received on 04 June 2021, is as follows:

"Listed Building Consent for minor façade removal and reinstatement, to enable the potential decant of objects within the Grade II Listed Air and Space Hall, alongside façade repairs."

Condition 7b

The application seeks full discharge of Condition 7b:

Once the development hereby approved has been completed, a further full photographic record of the site and the building (internally and externally) shall be submitted to and approved in writing by the City Council as local planning authority.

H.H Smith have prepared the information required to discharge this condition. Please refer to document 'Completion Survey – Air & Space Photographic Record'.

This information is submitted to fully discharge Condition 7b, so that relevant works can commence.
