FAQs

Q: Are your goals metal?

A: Yes, We offer goals in a variety of materials including Aluminium, Steel and PVC.

Q: Why should I buy Aluminium goals?

A: This material is lighter in weight and easily portable, but still very strong. Rust free.

Additional Info

We would strongly advise that where recommended nets are listed they are purchased with the goal to ensure best fit.

The recommended net for this model has been specifically tailored to fit this goal.
