Comment Reasons:
Comment:I regularly come to watch concerts at the Manchester arena, arriving by train, eating in the city and stopping overnight to return by train the following day to Blackburn where I live
Apart from the lack of need for an extra concert venue of this size, we would be less likely to visit this proposed new venue due to transport issues and lack of restaurants or accommodation in the immediate vicinity, so my spend in Manchester would be a lot less. Hence I believe this proposal should be rejected
