

NOTES

All dimensions and levels to be checked on site.

Any discrepancies are to be reported to the Architect before any work commences.

This drawing shall not be used to ascertain any dimensions, work to fixed dimensions only.

This drawing shall not be reproduced without express written permission from AFL Architects Ltd.

DOCUMENTS

When this drawing is issued in CAD it is an uncontrolled version issued for information only, to ensure the recipient to prepare their own documents/drawings for which they are solely responsible.

SOFTWARE INTEROPERABILITY

AFL prepared this drawing using Autodesk REVIT Architecture.

AFL does not accept liability for any loss or degradation of any information held in the drawing resulting from the translation from the original file format to any other file format or from the recipient's reading of it in any other programme.

THIS DRAWING IS BASED ON THE FOLLOWING MODELS:

Model	By	Issued on
Structure	CLT/MS	
MEP	XXX	
Landscape	GELLESPIES	

General Notes:

1. Refer to Specification document 20200-AFL-MSCP-KX-SP-A-0500
2. Refer to 020 Series drawings for all General Arrangement Information, setting out and levels information.
3. Refer to 021 Series drawings for External Wall Information.
4. Refer to 022 Series drawings for Internal Walls Information.
5. Refer to 023 Series drawings for Floor Construction Information.
6. Refer to 024 Series drawings for External Doors / Windows Information.
7. Refer to 025 Series drawings for Internal Doors / Windows Information.
8. Refer to 026 Series drawings for Suspended Ceilings Information.
9. Refer to 027 Series drawings for Roof Finishes Information.
10. Refer to 028 Series drawings for Fire Strategy Information.
11. Design of floors, the drawings and specification prepared by the architect are to indicate design intent only and to co-ordinate the works package into the overall design. The sub-contractor is responsible for the detailed design of the works and should issue details to the Architect for comment prior to commencement of fabrication or installation of those works on site.
12. All construction must conform to relevant British Standards and Building Regulations.
13. Any structure shown on this drawings is indicative only. Sub-contractor must refer to Structural Engineers drawings for full coordination.
14. The content of this drawing is for design intent and requires further design coordination with all relevant consultants, sub-contractors, specialist designers and statutory authorities.
