Part 1 – Particulars of the application/development

Proposal: Installation of 48 sheet digital LED billboard to replace existing 2 x static 48 panel billboards

Location: Land At 704 Oldham Road, Manchester, M40 2AA

Date of application: 10 March 2022

Application number: 133179/AOH/2022

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

The proposal was assessed with regards to policies outlined in the National Planning Policy Framework, Unitary Development Plan Saved Policies, Local Development Framework Core Strategy Development Plan and other material considerations. In this instance a solution that was acceptable to both the Local Planning Authority, and the applicant could not be reached as the nature of the proposal was considered to be unacceptable.

Reason(s) for decision

1) The proposed advertising hoarding would by virtue of its size, location, design and appearance would have a detrimental impact on visual amenity thereby constituting an unduly obtrusive, incongruous and over dominant feature within the street scene and in a prominent location on Oldham Road , which is a major route to and from the city centre of Manchester. The proposal would therefore have an unacceptable and

detrimental impact on the amenity of the area and be contrary to government guidance contained in chapter 12 of the National Planning Policy Framework, the Core Strategy for the City of Manchester in particular policies EN1 (Design Principles and Strategic Character Areas), DM1 (Development Management) and SP1 (Spatial Principles) and saved policies E3.3, DC15.1 and DC15.2 (Advertisements, Hoardings and Posters) of the Unitary Development Plan.
