Extraction & Ventilation

212 Burton Road, West Didsbury, M20 2LW

Ventilation

The bathroom will have a small extractor fan installed which vents directly outside. **(Blue arrow, Left Image)**

Kitchen Equipment

1 x Electric Sandwich Press
1 x Electric Bubble Waffle Maker
1 x Small Espresso Machine
1 x Electric Kettle

Location

Some existing ductwork comes into the corner of the room above the area labelled “cooking equipment”. **(Left Image)**. We plan on connecting our extractor fan to the existing ductwork. **(Red box, Right Image)**
