Who can comment on planning applications?
Anyone, but comments must be made in writing. Anonymous comments are not accepted.

Who is notified?
As a general rule those immediately adjacent to the development. We usually send out individual letters (like this one) although sometimes, notices are also put up near the site or in newspapers.

Who looks at my response?
The officer dealing with the planning application and other planning staff. Remember, anyone, including the person applying for planning permission, is entitled to read your letter. If the application is to be decided by a Committee (elected members of the City Council), your views and others will be summarised in a written report, available for public inspection a few days before the Committee meets.

Will my views make any difference to the decision?
They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

Who looks at my response?
The officer dealing with the planning application and other planning staff. Remember, anyone, including the person applying for planning permission, is entitled to read your letter. If the application is to be decided by a Committee (elected members of the City Council), your views and others will be summarised in a written report, available for public inspection a few days before the Committee meets.

Will my views make any difference to the decision?
They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

Who can comment on planning applications?
Anyone, but comments must be made in writing. Anonymous comments are not accepted.

Who is notified?
As a general rule those immediately adjacent to the development. We usually send out individual letters (like this one) although sometimes, notices are also put up near the site or in newspapers.

Who looks at my response?
The officer dealing with the planning application and other planning staff. Remember, anyone, including the person applying for planning permission, is entitled to read your letter. If the application is to be decided by a Committee (elected members of the City Council), your views and others will be summarised in a written report, available for public inspection a few days before the Committee meets.

Will my views make any difference to the decision?
They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

Who can comment on planning applications?
Anyone, but comments must be made in writing. Anonymous comments are not accepted.

Who is notified?
As a general rule those immediately adjacent to the development. We usually send out individual letters (like this one) although sometimes, notices are also put up near the site or in newspapers.

Who looks at my response?
The officer dealing with the planning application and other planning staff. Remember, anyone, including the person applying for planning permission, is entitled to read your letter. If the application is to be decided by a Committee (elected members of the City Council), your views and others will be summarised in a written report, available for public inspection a few days before the Committee meets.

Will my views make any difference to the decision?
They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

All replies are carefully considered before any decision is made.

Many decisions are taken by me on the Council's behalf. The others are currently being taken by the Chief Executive under a special procedure whilst the Planning & Highways Committee is not meeting due to the on-going Coronavirus outbreak. If you contact the case officer, you can find out what will happen in this case and get any other information you need.

Please note any comments you make will be placed on a publicly available case file and will be summarised in reports that will be available on the Council's website. Your personal details will not be included in these reports. If you wish to see the planner dealing with the application, which in this case is **Jennifer Atkinson**, you are advised to make a prior appointment. I will not acknowledge receipt of your comments. Please use the Public Access system to track the progress of this application and find out the decision.

Yours faithfully,

Who can comment on planning applications?
Anyone, but comments must be made in writing. Anonymous comments are not accepted.

Who is notified?
As a general rule those immediately adjacent to the development. We usually send out individual letters (like this one) although sometimes, notices are also put up near the site or in newspapers.

Who looks at my response?
The officer dealing with the planning application and other planning staff. Remember, anyone, including the person applying for planning permission, is entitled to read your letter. If the application is to be decided by a Committee (elected members of the City Council), your views and others will be summarised in a written report, available for public inspection a few days before the Committee meets.

Will my views make any difference to the decision?
They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

Who can comment on planning applications?
Anyone, but comments must be made in writing. Anonymous comments are not accepted.

Who is notified?
As a general rule those immediately adjacent to the development. We usually send out individual letters (like this one) although sometimes, notices are also put up near the site or in newspapers.

Who looks at my response?
The officer dealing with the planning application and other planning staff. Remember, anyone, including the person applying for planning permission, is entitled to read your letter. If the application is to be decided by a Committee (elected members of the City Council), your views and others will be summarised in a written report, available for public inspection a few days before the Committee meets.

Will my views make any difference to the decision?
They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

Director of Planning, Building Control & Licensing

Who can comment on planning applications?
Anyone, but comments must be made in writing. Anonymous comments are not accepted.

Who is notified?
As a general rule those immediately adjacent to the development. We usually send out individual letters (like this one) although sometimes, notices are also put up near the site or in newspapers.

Who looks at my response?
The officer dealing with the planning application and other planning staff. Remember, anyone, including the person applying for planning permission, is entitled to read your letter. If the application is to be decided by a Committee (elected members of the City Council), your views and others will be summarised in a written report, available for public inspection a few days before the Committee meets.

Will my views make any difference to the decision?
They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

Who can comment on planning applications?
Anyone, but comments must be made in writing. Anonymous comments are not accepted.

Who is notified?
As a general rule those immediately adjacent to the development. We usually send out individual letters (like this one) although sometimes, notices are also put up near the site or in newspapers.

Who looks at my response?
The officer dealing with the planning application and other planning staff. Remember, anyone, including the person applying for planning permission, is entitled to read your letter. If the application is to be decided by a Committee (elected members of the City Council), your views and others will be summarised in a written report, available for public inspection a few days before the Committee meets.

Will my views make any difference to the decision?
They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

Who looks at my response?
The officer dealing with the planning application and other planning staff. Remember, anyone, including the person applying for planning permission, is entitled to read your letter. If the application is to be decided by a Committee (elected members of the City Council), your views and others will be summarised in a written report, available for public inspection a few days before the Committee meets.

Will my views make any difference to the decision?
They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

Who can comment on planning applications?
Anyone, but comments must be made in writing. Anonymous comments are not accepted.

Who is notified?
As a general rule those immediately adjacent to the development. We usually send out individual letters (like this one) although sometimes, notices are also put up near the site or in newspapers.

Who looks at my response?
The officer dealing with the planning application and other planning staff. Remember, anyone, including the person applying for planning permission, is entitled to read your letter. If the application is to be decided by a Committee (elected members of the City Council), your views and others will be summarised in a written report, available for public inspection a few days before the Committee meets.

Will my views make any difference to the decision?
They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

Who can comment on planning applications?
Anyone, but comments must be made in writing. Anonymous comments are not accepted.

Who is notified?
As a general rule those immediately adjacent to the development. We usually send out individual letters (like this one) although sometimes, notices are also put up near the site or in newspapers.

Who looks at my response?
The officer dealing with the planning application and other planning staff. Remember, anyone, including the person applying for planning permission, is entitled to read your letter. If the application is to be decided by a Committee (elected members of the City Council), your views and others will be summarised in a written report, available for public inspection a few days before the Committee meets.

Will my views make any difference to the decision?
They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

Please note any comments you make will be placed on a publicly available case file and will be summarised in reports that will be available on the Council's website. Your personal details will not be included in these reports. If you wish to see the planner dealing with the application, which in this case is **Jennifer Atkinson**, you are advised to make a prior appointment. I will not acknowledge receipt of your comments. Please use the Public Access system to track the progress of this application and find out the decision.

Who can comment on planning applications?
Anyone, but comments must be made in writing. Anonymous comments are not accepted.

Who is notified?
As a general rule those immediately adjacent to the development. We usually send out individual letters (like this one) although sometimes, notices are also put up near the site or in newspapers.

Who looks at my response?
The officer dealing with the planning application and other planning staff. Remember, anyone, including the person applying for planning permission, is entitled to read your letter. If the application is to be decided by a Committee (elected members of the City Council), your views and others will be summarised in a written report, available for public inspection a few days before the Committee meets.

Will my views make any difference to the decision?
They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

Who can comment on planning applications?
Anyone, but comments must be made in writing. Anonymous comments are not accepted.

Who is notified?
As a general rule those immediately adjacent to the development. We usually send out individual letters (like this one) although sometimes, notices are also put up near the site or in newspapers.

Who looks at my response?
The officer dealing with the planning application and other planning staff. Remember, anyone, including the person applying for planning permission, is entitled to read your letter. If the application is to be decided by a Committee (elected members of the City Council), your views and others will be summarised in a written report, available for public inspection a few days before the Committee meets.

Will my views make any difference to the decision?
They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

Director of Planning, Building Control & Licensing

Who can comment on planning applications?
Anyone, but comments must be made in writing. Anonymous comments are not accepted.

Who is notified?
As a general rule those immediately adjacent to the development. We usually send out individual letters (like this one) although sometimes, notices are also put up near the site or in newspapers.

Who looks at my response?
The officer dealing with the planning application and other planning staff. Remember, anyone, including the person applying for planning permission, is entitled to read your letter. If the application is to be decided by a Committee (elected members of the City Council), your views and others will be summarised in a written report, available for public inspection a few days before the Committee meets.

Will my views make any difference to the decision?
They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

Who can comment on planning applications?
Anyone, but comments must be made in writing. Anonymous comments are not accepted.

Who is notified?
As a general rule those immediately adjacent to the development. We usually send out individual letters (like this one) although sometimes, notices are also put up near the site or in newspapers.

Who looks at my response?
The officer dealing with the planning application and other planning staff. Remember, anyone, including the person applying for planning permission, is entitled to read your letter. If the application is to be decided by a Committee (elected members of the City Council), your views and others will be summarised in a written report, available for public inspection a few days before the Committee meets.

Will my views make any difference to the decision?
They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

Who looks at my response?
The officer dealing with the planning application and other planning staff. Remember, anyone, including the person applying for planning permission, is entitled to read your letter. If the application is to be decided by a Committee (elected members of the City Council), your views and others will be summarised in a written report, available for public inspection a few days before the Committee meets.

Will my views make any difference to the decision?
They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

Who can comment on planning applications?
Anyone, but comments must be made in writing. Anonymous comments are not accepted.

Who is notified?
As a general rule those immediately adjacent to the development. We usually send out individual letters (like this one) although sometimes, notices are also put up near the site or in newspapers.

Who looks at my response?
The officer dealing with the planning application and other planning staff. Remember, anyone, including the person applying for planning permission, is entitled to read your letter. If the application is to be decided by a Committee (elected members of the City Council), your views and others will be summarised in a written report, available for public inspection a few days before the Committee meets.

Will my views make any difference to the decision?
They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

Who can comment on planning applications?
Anyone, but comments must be made in writing. Anonymous comments are not accepted.

Who is notified?
As a general rule those immediately adjacent to the development. We usually send out individual letters (like this one) although sometimes, notices are also put up near the site or in newspapers.

Who looks at my response?
The officer dealing with the planning application and other planning staff. Remember, anyone, including the person applying for planning permission, is entitled to read your letter. If the application is to be decided by a Committee (elected members of the City Council), your views and others will be summarised in a written report, available for public inspection a few days before the Committee meets.

Will my views make any difference to the decision?
They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

Please note any comments you make will be placed on a publicly available case file and will be summarised in reports that will be available on the Council's website. Your personal details will not be included in these reports. If you wish to see the planner dealing with the application, which in this case is **Jennifer Atkinson**, you are advised to make a prior appointment. I will not acknowledge receipt of your comments. Please use the Public Access system to track the progress of this application and find out the decision.

Who can comment on planning applications?
Anyone, but comments must be made in writing. Anonymous comments are not accepted.

Who is notified?
As a general rule those immediately adjacent to the development. We usually send out individual letters (like this one) although sometimes, notices are also put up near the site or in newspapers.

Who looks at my response?
The officer dealing with the planning application and other planning staff. Remember, anyone, including the person applying for planning permission, is entitled to read your letter. If the application is to be decided by a Committee (elected members of the City Council), your views and others will be summarised in a written report, available for public inspection a few days before the Committee meets.

Will my views make any difference to the decision?
They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

Who can comment on planning applications?
Anyone, but comments must be made in writing. Anonymous comments are not accepted.

Who is notified?
As a general rule those immediately adjacent to the development. We usually send out individual letters (like this one) although sometimes, notices are also put up near the site or in newspapers.

Who looks at my response?
The officer dealing with the planning application and other planning staff. Remember, anyone, including the person applying for planning permission, is entitled to read your letter. If the application is to be decided by a Committee (elected members of the City Council), your views and others will be summarised in a written report, available for public inspection a few days before the Committee meets.

Will my views make any difference to the decision?
They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

Director of Planning, Building Control & Licensing

Who can comment on planning applications?
Anyone, but comments must be made in writing. Anonymous comments are not accepted.

Who is notified?
As a general rule those immediately adjacent to the development. We usually send out individual letters (like this one) although sometimes, notices are also put up near the site or in newspapers.

Who looks at my response?
The officer dealing with the planning application and other planning staff. Remember, anyone, including the person applying for planning permission, is entitled to read your letter. If the application is to be decided by a Committee (elected members of the City Council), your views and others will be summarised in a written report, available for public inspection a few days before the Committee meets.

Will my views make any difference to the decision?
They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

Who can comment on planning applications?
Anyone, but comments must be made in writing. Anonymous comments are not accepted.

Who is notified?
As a general rule those immediately adjacent to the development. We usually send out individual letters (like this one) although sometimes, notices are also put up near the site or in newspapers.

Who looks at my response?
The officer dealing with the planning application and other planning staff. Remember, anyone, including the person applying for planning permission, is entitled to read your letter. If the application is to be decided by a Committee (elected members of the City Council), your views and others will be summarised in a written report, available for public inspection a few days before the Committee meets.

Will my views make any difference to the decision?
They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

Who looks at my response?
The officer dealing with the planning application and other planning staff. Remember, anyone, including the person applying for planning permission, is entitled to read your letter. If the application is to be decided by a Committee (elected members of the City Council), your views and others will be summarised in a written report, available for public inspection a few days before the Committee meets.

Will my views make any difference to the decision?
They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

Who can comment on planning applications?
Anyone, but comments must be made in writing. Anonymous comments are not accepted.

Who is notified?
As a general rule those immediately adjacent to the development. We usually send out individual letters (like this one) although sometimes, notices are also put up near the site or in newspapers.

Who looks at my response?
The officer dealing with the planning application and other planning staff. Remember, anyone, including the person applying for planning permission, is entitled to read your letter. If the application is to be decided by a Committee (elected members of the City Council), your views and others will be summarised in a written report, available for public inspection a few days before the Committee meets.

Will my views make any difference to the decision?
They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

Who can comment on planning applications?
Anyone, but comments must be made in writing. Anonymous comments are not accepted.

Who is notified?
As a general rule those immediately adjacent to the development. We usually send out individual letters (like this one) although sometimes, notices are also put up near the site or in newspapers.

Who looks at my response?
The officer dealing with the planning application and other planning staff. Remember, anyone, including the person applying for planning permission, is entitled to read your letter. If the application is to be decided by a Committee (elected members of the City Council), your views and others will be summarised in a written report, available for public inspection a few days before the Committee meets.

Will my views make any difference to the decision?
They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

Who can comment on planning applications?
Anyone, but comments must be made in writing. Anonymous comments are not accepted.

Who is notified?
As a general rule those immediately adjacent to the development. We usually send out individual letters (like this one) although sometimes, notices are also put up near the site or in newspapers.

Who looks at my response?
The officer dealing with the planning application and other planning staff. Remember, anyone, including the person applying for planning permission, is entitled to read your letter. If the application is to be decided by a Committee (elected members of the City Council), your views and others will be summarised in a written report, available for public inspection a few days before the Committee meets.

Will my views make any difference to the decision?
They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?

Who can comment on planning applications?
Anyone, but comments must be made in writing. Anonymous comments are not accepted.

Who is notified?
As a general rule those immediately adjacent to the development. We usually send out individual letters (like this one) although sometimes, notices are also put up near the site or in newspapers.

Who looks at my response?
The officer dealing with the planning application and other planning staff. Remember, anyone, including the person applying for planning permission, is entitled to read your letter. If the application is to be decided by a Committee (elected members of the City Council), your views and others will be summarised in a written report, available for public inspection a few days before the Committee meets.

Will my views make any difference to the decision?
They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

Who can comment on planning applications?
Anyone, but comments must be made in writing. Anonymous comments are not accepted.

Who is notified?
As a general rule those immediately adjacent to the development. We usually send out individual letters (like this one) although sometimes, notices are also put up near the site or in newspapers.

Who looks at my response?
The officer dealing with the planning application and other planning staff. Remember, anyone, including the person applying for planning permission, is entitled to read your letter. If the application is to be decided by a Committee (elected members of the City Council), your views and others will be summarised in a written report, available for public inspection a few days before the Committee meets.

Will my views make any difference to the decision?
They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

As a general rule those immediately adjacent to the development. We usually send out individual letters (like this one) although sometimes, notices are also put up near the site or in newspapers.

Who looks at my response?
The officer dealing with the planning application and other planning staff. Remember, anyone, including the person applying for planning permission, is entitled to read your letter. If the application is to be decided by a Committee (elected members of the City Council), your views and others will be summarised in a written report, available for public inspection a few days before the Committee meets.

Will my views make any difference to the decision?
They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

Who can comment on planning applications?
Anyone, but comments must be made in writing. Anonymous comments are not accepted.

Who is notified?
As a general rule those immediately adjacent to the development. We usually send out individual letters (like this one) although sometimes, notices are also put up near the site or in newspapers.

Who looks at my response?
The officer dealing with the planning application and other planning staff. Remember, anyone, including the person applying for planning permission, is entitled to read your letter. If the application is to be decided by a Committee (elected members of the City Council), your views and others will be summarised in a written report, available for public inspection a few days before the Committee meets.

Will my views make any difference to the decision?
They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

The officer dealing with the planning application and other planning staff. Remember, anyone, including the person applying for planning permission, is entitled to read your letter. If the application is to be decided by a Committee (elected members of the City Council), your views and others will be summarised in a written report, available for public inspection a few days before the Committee meets.

Will my views make any difference to the decision?
They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

Who can comment on planning applications?
Anyone, but comments must be made in writing. Anonymous comments are not accepted.

Who is notified?
As a general rule those immediately adjacent to the development. We usually send out individual letters (like this one) although sometimes, notices are also put up near the site or in newspapers.

Who looks at my response?
The officer dealing with the planning application and other planning staff. Remember, anyone, including the person applying for planning permission, is entitled to read your letter. If the application is to be decided by a Committee (elected members of the City Council), your views and others will be summarised in a written report, available for public inspection a few days before the Committee meets.

Will my views make any difference to the decision?
They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

Who looks at my response?
The officer dealing with the planning application and other planning staff. Remember, anyone, including the person applying for planning permission, is entitled to read your letter. If the application is to be decided by a Committee (elected members of the City Council), your views and others will be summarised in a written report, available for public inspection a few days before the Committee meets.

Will my views make any difference to the decision?
They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

Who can comment on planning applications?
Anyone, but comments must be made in writing. Anonymous comments are not accepted.

Who is notified?
As a general rule those immediately adjacent to the development. We usually send out individual letters (like this one) although sometimes, notices are also put up near the site or in newspapers.

Who looks at my response?
The officer dealing with the planning application and other planning staff. Remember, anyone, including the person applying for planning permission, is entitled to read your letter. If the application is to be decided by a Committee (elected members of the City Council), your views and others will be summarised in a written report, available for public inspection a few days before the Committee meets.

Will my views make any difference to the decision?
They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

Who looks at my response?
The officer dealing with the planning application and other planning staff. Remember, anyone, including the person applying for planning permission, is entitled to read your letter. If the application is to be decided by a Committee (elected members of the City Council), your views and others will be summarised in a written report, available for public inspection a few days before the Committee meets.

Will my views make any difference to the decision?
They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

Who can comment on planning applications?
Anyone, but comments must be made in writing. Anonymous comments are not accepted.

Who is notified?
As a general rule those immediately adjacent to the development. We usually send out individual letters (like this one) although sometimes, notices are also put up near the site or in newspapers.

Who looks at my response?
The officer dealing with the planning application and other planning staff. Remember, anyone, including the person applying for planning permission, is entitled to read your letter. If the application is to be decided by a Committee (elected members of the City Council), your views and others will be summarised in a written report, available for public inspection a few days before the Committee meets.

Will my views make any difference to the decision?
They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

Who can comment on planning applications?
Anyone, but comments must be made in writing. Anonymous comments are not accepted.

Who is notified?
As a general rule those immediately adjacent to the development. We usually send out individual letters (like this one) although sometimes, notices are also put up near the site or in newspapers.

Who looks at my response?
The officer dealing with the planning application and other planning staff. Remember, anyone, including the person applying for planning permission, is entitled to read your letter. If the application is to be decided by a Committee (elected members of the City Council), your views and others will be summarised in a written report, available for public inspection a few days before the Committee meets.

Will my views make any difference to the decision?
They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

All replies are carefully considered before any decision is made.

Many decisions are taken by me on the Council's behalf. The others are currently being taken by the Chief Executive under a special procedure whilst the Planning & Highways Committee is not meeting due to the on-going Coronavirus outbreak. If you contact the case officer, you can find out what will happen in this case and get any other information you need.

Please note any comments you make will be placed on a publicly available case file and will be summarised in reports that will be available on the Council's website. Your personal details will not be included in these reports. If you wish to see the planner dealing with the application, which in this case is **Jennifer Atkinson**, you are advised to make a prior appointment. I will not acknowledge receipt of your comments. Please use the Public Access system to track the progress of this application and find out the decision.

Yours faithfully,

Who can comment on planning applications?
Anyone, but comments must be made in writing. Anonymous comments are not accepted.

Who is notified?
As a general rule those immediately adjacent to the development. We usually send out individual letters (like this one) although sometimes, notices are also put up near the site or in newspapers.

Who looks at my response?
The officer dealing with the planning application and other planning staff. Remember, anyone, including the person applying for planning permission, is entitled to read your letter. If the application is to be decided by a Committee (elected members of the City Council), your views and others will be summarised in a written report, available for public inspection a few days before the Committee meets.

Will my views make any difference to the decision?
They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

Who can comment on planning applications?
Anyone, but comments must be made in writing. Anonymous comments are not accepted.

Who is notified?
As a general rule those immediately adjacent to the development. We usually send out individual letters (like this one) although sometimes, notices are also put up near the site or in newspapers.

Who looks at my response?
The officer dealing with the planning application and other planning staff. Remember, anyone, including the person applying for planning permission, is entitled to read your letter. If the application is to be decided by a Committee (elected members of the City Council), your views and others will be summarised in a written report, available for public inspection a few days before the Committee meets.

Will my views make any difference to the decision?
They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

Who can comment on planning applications?
Anyone, but comments must be made in writing. Anonymous comments are not accepted.

Who is notified?
As a general rule those immediately adjacent to the development. We usually send out individual letters (like this one) although sometimes, notices are also put up near the site or in newspapers.

Who looks at my response?
The officer dealing with the planning application and other planning staff. Remember, anyone, including the person applying for planning permission, is entitled to read your letter. If the application is to be decided by a Committee (elected members of the City Council), your views and others will be summarised in a written report, available for public inspection a few days before the Committee meets.

Will my views make any difference to the decision?
They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

Who can comment on planning applications?
Anyone, but comments must be made in writing. Anonymous comments are not accepted.

Who is notified?
As a general rule those immediately adjacent to the development. We usually send out individual letters (like this one) although sometimes, notices are also put up near the site or in newspapers.

Who looks at my response?
The officer dealing with the planning application and other planning staff. Remember, anyone, including the person applying for planning permission, is entitled to read your letter. If the application is to be decided by a Committee (elected members of the City Council), your views and others will be summarised in a written report, available for public inspection a few days before the Committee meets.

Will my views make any difference to the decision?
They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

Who looks at my response?
The officer dealing with the planning application and other planning staff. Remember, anyone, including the person applying for planning permission, is entitled to read your letter. If the application is to be decided by a Committee (elected members of the City Council), your views and others will be summarised in a written report, available for public inspection a few days before the Committee meets.

Will my views make any difference to the decision?
They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

Your personal details will not be included in these reports. If you wish to see the planner dealing with the application, which in this case is **Jennifer Atkinson**, you are advised to make a prior appointment. I will not acknowledge receipt of your comments. Please use the Public Access system to track the progress of this application and find out the decision.

Who can comment on planning applications?
Anyone, but comments must be made in writing. Anonymous comments are not accepted.

Who is notified?
As a general rule those immediately adjacent to the development. We usually send out individual letters (like this one) although sometimes, notices are also put up near the site or in newspapers.

Who looks at my response?
The officer dealing with the planning application and other planning staff. Remember, anyone, including the person applying for planning permission, is entitled to read your letter. If the application is to be decided by a Committee (elected members of the City Council), your views and others will be summarised in a written report, available for public inspection a few days before the Committee meets.

Will my views make any difference to the decision?
They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

Who can comment on planning applications?
Anyone, but comments must be made in writing. Anonymous comments are not accepted.

Who is notified?
As a general rule those immediately adjacent to the development. We usually send out individual letters (like this one) although sometimes, notices are also put up near the site or in newspapers.

Who looks at my response?
The officer dealing with the planning application and other planning staff. Remember, anyone, including the person applying for planning permission, is entitled to read your letter. If the application is to be decided by a Committee (elected members of the City Council), your views and others will be summarised in a written report, available for public inspection a few days before the Committee meets.

Will my views make any difference to the decision?
They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

Who can comment on planning applications?
Anyone, but comments must be made in writing. Anonymous comments are not accepted.

Who is notified?
As a general rule those immediately adjacent to the development. We usually send out individual letters (like this one) although sometimes, notices are also put up near the site or in newspapers.

Who looks at my response?
The officer dealing with the planning application and other planning staff. Remember, anyone, including the person applying for planning permission, is entitled to read your letter. If the application is to be decided by a Committee (elected members of the City Council), your views and others will be summarised in a written report, available for public inspection a few days before the Committee meets.

Will my views make any difference to the decision?
They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

As a general rule those immediately adjacent to the development. We usually send out individual letters (like this one) although sometimes, notices are also put up near the site or in newspapers.

Who looks at my response?
The officer dealing with the planning application and other planning staff. Remember, anyone, including the person applying for planning permission, is entitled to read your letter. If the application is to be decided by a Committee (elected members of the City Council), your views and others will be summarised in a written report, available for public inspection a few days before the Committee meets.

Will my views make any difference to the decision?
They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

Who can comment on planning applications?
Anyone, but comments must be made in writing. Anonymous comments are not accepted.

Who is notified?
As a general rule those immediately adjacent to the development. We usually send out individual letters (like this one) although sometimes, notices are also put up near the site or in newspapers.

Who looks at my response?
The officer dealing with the planning application and other planning staff. Remember, anyone, including the person applying for planning permission, is entitled to read your letter. If the application is to be decided by a Committee (elected members of the City Council), your views and others will be summarised in a written report, available for public inspection a few days before the Committee meets.

Will my views make any difference to the decision?
They might – the Council has a legal duty to consider the views of the public but your views must be relevant to planning.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.

How do I know what's "relevant to planning"?
Planning is mainly concerned with the physical aspects of the way land and buildings are used. Issues such as levels of activity, appearance, parking, noise, traffic or overlooking are relevant. Examples of issues which are not relevant include: effect on property values or fears of commercial competition. If it wants to refuse planning permission, the Council has to be able to show that some harm will result. The guide on the website provides more information about this.

Can I get more advice?
Yes, just contact the planning officer named in this letter about how to have your views properly considered.

Can I appeal if I don't like the decision?
No. Only the person who makes the application can appeal (to the Secretary of State).

Can I complain if I don't like the way I've been treated?
Yes. The Council has a leaflet about how to complain and details are available online at www.manchester.gov.uk/complaints. We always aim to deal with complaints quickly.
