VARIFICATION STATEMENT FOR APPLICATION NUMBER 110179/FO/2015/S1 AND 110180/FO/2015/S1

Dear Engie

In accordance with and under the terms of our appointment to One Manchester to monitor that the works were being executed generally in accordance with the contract documents, we can confirm that we have not become aware of any reason to believe the specified measures in the updated Sustainability statements issued in May 2016 have not been implemented.

Attached is photographic evidence from our periodic site visits showing the main roof plant of air source heat pumps and local heat interface units in the service cupboard of each dwelling.

Yours faithfully

Samuel Mitchell
