Do not scale off dimensions.
All dimensions to be checked on site by contractor.
Contractor to report any dimensional discrepancies,
errors or omissions prior to commencing on site.

Based on the use of experienced and competent
contractors working to an approved method
statement, unusual residual hazards / risks are
listed on the Residual Significant Risks Register or
the statement "NO UNUSUAL RISKS" applies.

NOTE:
Please note that all layouts and areas are indicative and may be subject to change in line with the coordination
of structure and services, together with design development and building tolerances, or events outside the
architect's control.
The architect accepts no responsibility for any resulting implications or decisions, commercial or otherwise,
made on the basis of this information.
