Barriers: 6 single sided, non-branded

Powder Coated Black Café Barrier 12.5kg weighted non-slip and non-marking base and posts with blank black PVC banner.

Recycling

All waste will be split and recycled into Mixed Glass, Mixed Recyclable (Card & Paper / Plastic / Metal) and Food Waste

Usage

The area will primarily be used with the full waiting service as provided inside the licensed premises as standard. Guests may order separately at the bar and will be allowed to use the facilities inside. Any guests wishing to drink outside will be served their drink in a hardened plastic glass.

Hours

In interests of residential amenity in order to reduce noise and general disturbance, the external seating area shall not be operated outside the following hours:-

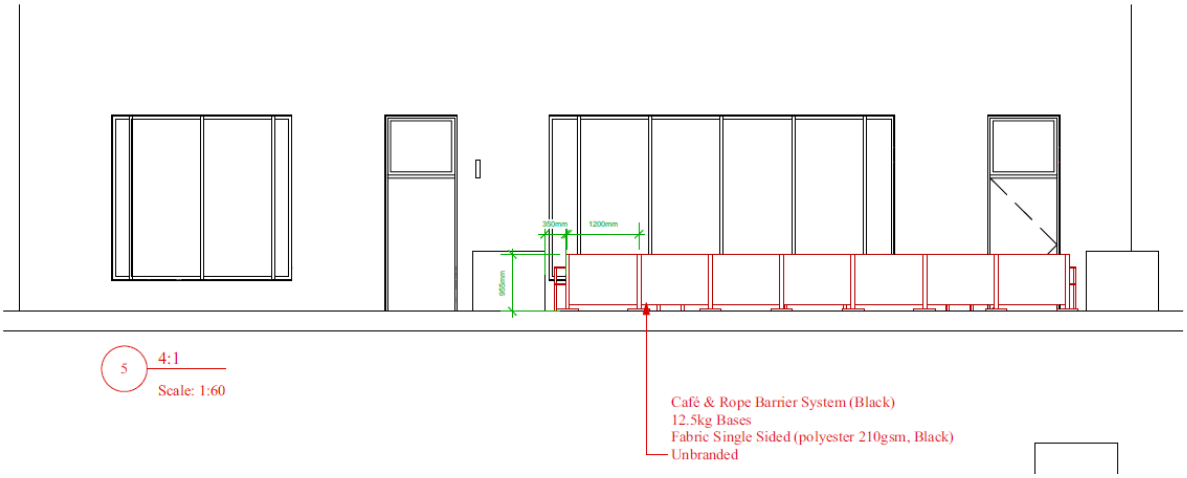
08:00 - 21.00 Monday to Sunday

The external seating area will not operate outside licensing hours

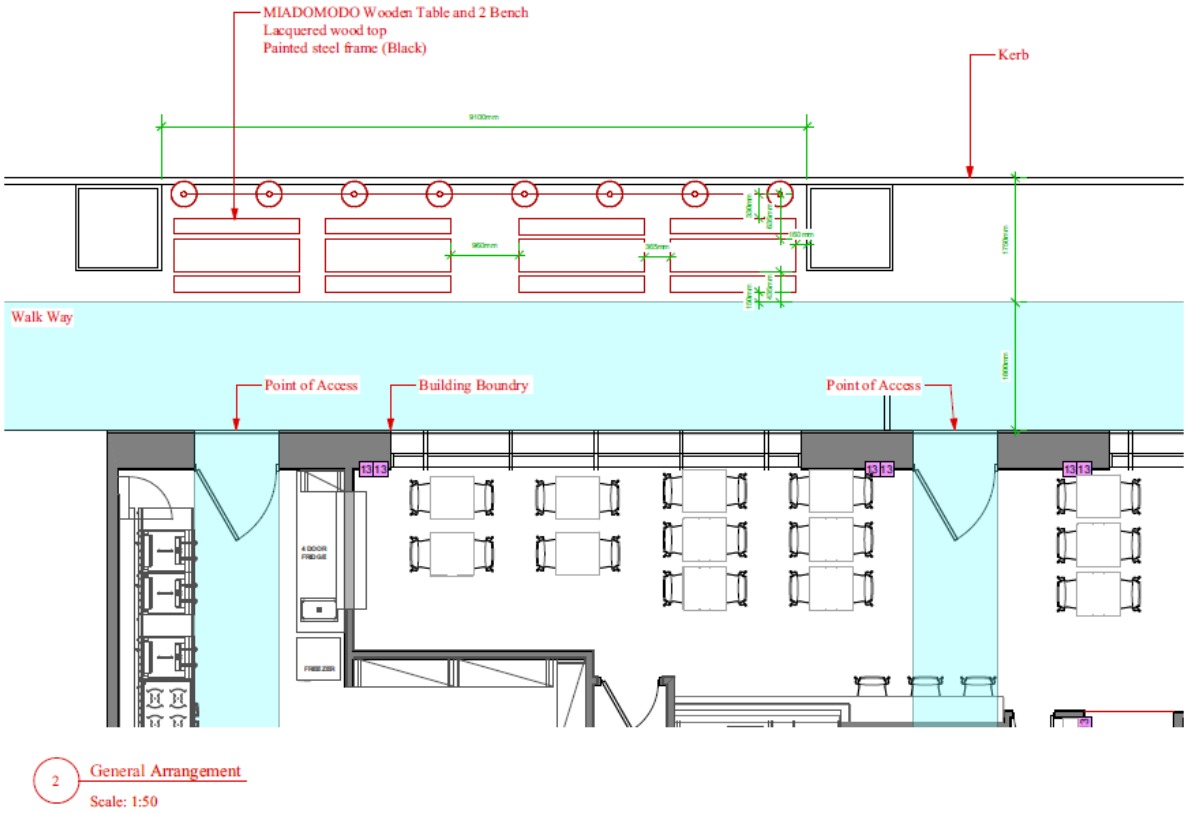
Access

A minimum pavement width of 1.8m will be retained at all times for the safe passage of pedestrians walking by. Therefore, the free-flow of pedestrian traffic and cyclists will not be materially affected. The retained clear pavement width can accommodate a combination of wheelchair users, prams and other pedestrians without detriment to safety. The area and location of the external seating area shall be maintained at all times during operation in accordance with the following drawings:

- 216 - External Elevation



- 217 – Pavement Arrangement



Similar External Seating Areas

Within a short distance in Ancoats, Rudy's Pizza, Seven Bro7hers, Jane Eyre, Elnecot & Second City all have a variety of exterior presence on both Cutting Room square and the immediate pavements outside their premises.

Amplified Sounds

No music shall be played within the outside seating area at any time

Amplified sounds or any music shall not be played within this area at any time.

Access

In the interests of residential amenity in order to reduce noise and general disturbance all tables and chairs shall be entirely removed from the public highway/pavement and placed in secure internal storage at all times outside of the agreed operating hours of the external seating area hereby approved.

Monitoring & Anti-Social Behaviour

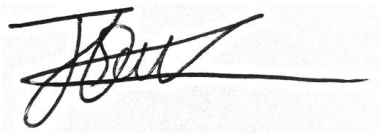
Any excessive noise or inappropriate behaviour by customers will be immediately challenged by staff. No relocation of furniture will tolerated. The external seating area has the advantage of being directly in front of the restaurant windows for a full line of site by our employees.

Presentation & Cleanliness

All external tables area will be constantly monitored and cleared regularly and as required. The floor around the immediate area of tables will be swept upon change of guest. The area will also be swept at the end of each service and at the start of each service to ensure the area is kept clean and presentable.

If there is any other information or documentation that you require please do not hesitate to get in touch.

Yours sincerely



Jonathan Oswald – Managing Director
