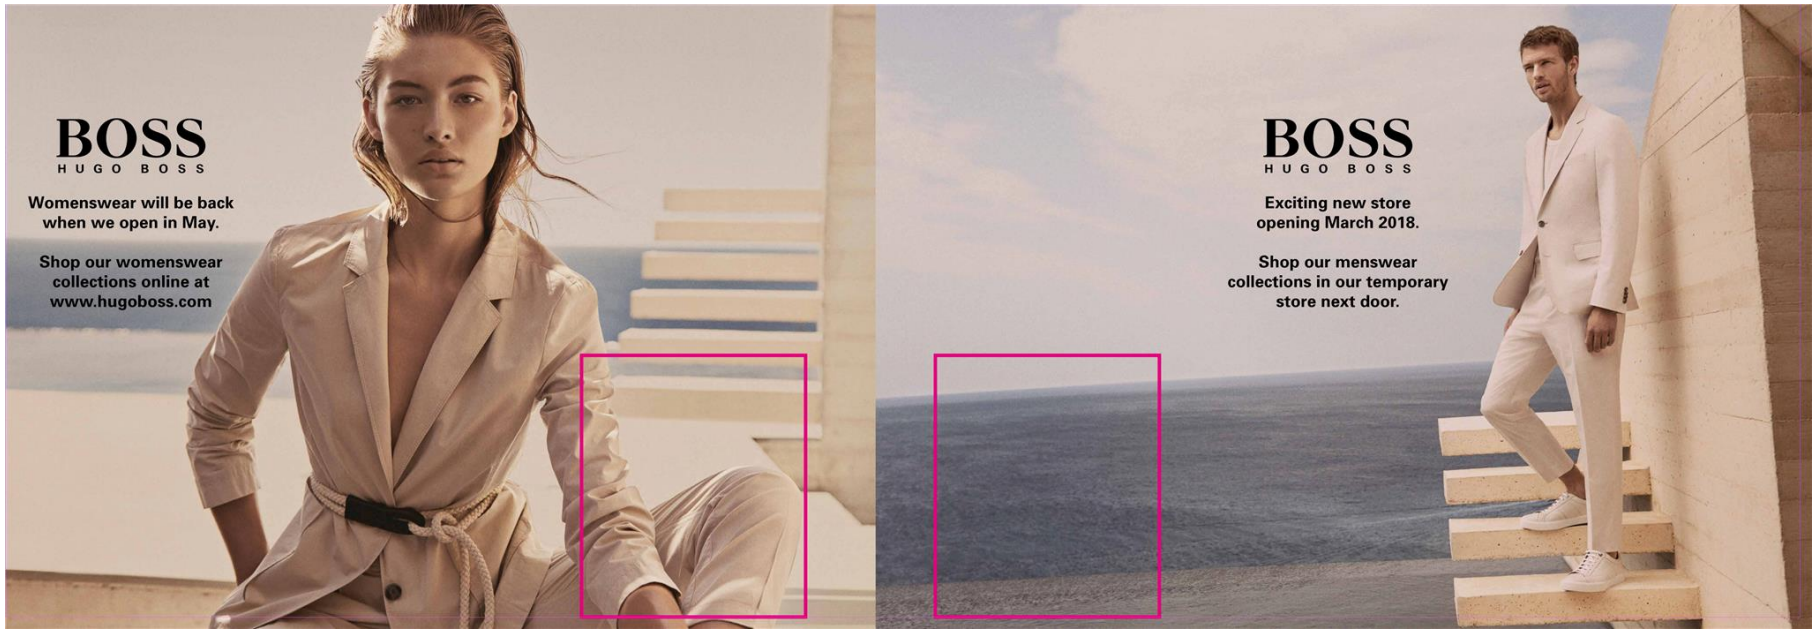
Vinyl

Qty:	**Artwork:**
1	1

Category:

Size:
14655 (w) x 5000 (h) mm



15/03/18 22:10

Embedded or placed files will be printed as supplied, no colour adjustments will be made to the images, file sizes and resolutions should be suitable for the reproduction size required. If only CMYK references are supplied without spot colour references or colour swatches we will use the nearest panatone equivalent. Where items are printed on different substrates, using different print processes we will match within the standard commercial tolerances. Additional time is required for full colour testing.

Substrate and Details: Standard Self Adhesive Vinyls
Matt Grey Back Permanent, Mac Tac JT5828P

Artist: John Saunders

Date: 15/03/2018
