Dear Don

Please find the attached documents which pertain to the Heron House re-furbishment adjacent to Albert Square, Manchester.

This also forms part of the planning condition requirement to discharge planning condition 5.

> *"5) Before development commences, full details of the proposed construction/fit-out arrangements from a highways perspective shall be submitted to and approved in writing by the City Council as Local Planning Authority. This shall include details on anticipated vehicular movements together with any associated proposals for deliveries, storage and disposal/collection of materials. The development shall be implemented in accordance with the approved details.*
>
> *Reason - To ensure an acceptable development during the construction phase, pursuant to policy DM1 of the Core Strategy."*

Please can you submit the attached documents on the Planning Portal.

These dates are subject to change, depending on when we receive an order from MCC. We will communicate with MCC Highways if there are any changes to the anticipated dates.

If you have any further queries please feel free to contact me on 07971499158 or ian.pearson@kier.co.uk

Kind regards,

Ian Pearson
Project Manager
