Description

To replace 4 number balconies to residential dwellings on Oldham Road within an existing traditionally constructed three storey property. The balconies have already been removed due to excessive oxidation but the original design was found not to be suitable once the work started. The Structural Engineer confirmed the brick wall is not strong enough to sustain original balcony design hence a new one is required to take the load to the ground as required.

Description of the Proposal

Please note in regard to:

- **Fire Statements** - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. [View government planning guidance on fire statements](#) or [access the fire statement template and guidance](#).
- **Permission In Principle** - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- **Public Service Infrastructure** - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or [view government planning guidance on determination periods](#).

Details of the pre-application advice received

The wrong Certificate was signed as part of the application. Certificate A was signed, however it should have been Certificate B. that is required to re-validate the application.

Notice no.1 also needs to be served to the tenants.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?
