Dear Norman,

Hope you are well.

I enclose a redraft of the WSI for excavations at Sharp Street for your perusal.

I would also be happy if we could start our negotiations on the nature of what you envisage as commemorative material on site following build completion. I need something to start the ball rolling to copy in the clients design consultants etc, which would be best if we can cover it in a separate e-mail, which I will send next.

Very best wishes

Reuben
