12 September 2008

Dear Sir/Madam,

Application Number: 087552/TPO/2008/S2
Intent to carry out works to trees at 201 Palatine Road, Didsbury, Manchester, M20 2TT

Further to your request to carry out works to trees located at the above address, the City Council's arboricultural staff visited the site and inspected the trees. With reference to their advice, consent is hereby **granted** for the following work:

The City Council has no objection to the proposed removal of the Horse Chestnut tree as it is dead and in a dangerous condition.

A replacement tree should be planted to compensate for the amenity loss. A suitable replacement would be a Fagus sylvatica Purpurea or similar.

All tree work should be carried out by a competent contractor in accordance with British Standard BS 3998 "Recommendations for Tree Work".

Should you wish to discuss this matter any further please contact Lisa Holland.

Yours sincerely,

Peter Babb
Head of Planning
