Part 1 – Particulars of the application/development

Proposal: Erection of three storey extension to create internal staircase

Location: 19 Clifton Avenue, Withington, Manchester, M14 6UD

Date of application: 23 August 2013

Application number: 103460/FO/2013/S1

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 31 Declaration

The proposal would not improve the social and environmental conditions of the property nor does it comply with the development plan and therefore does not comprise sustainable development. There are amendments to the scheme but these failed to address the concerns of the City Council in respect of the security of the site . There are no conditions which could reasonably have been imposed, which would have made the development acceptable and it is therefore not possible to approve the application.

Reason(s) for decision

1) The proposed development by reason of the repositioning of the entrance to the rear of the property will leave the development vulnerable to criminal or anti social behaviour the proposed development is therefore contrary to the provisions of policies SP1 and DM1 of the Core Strategy. The Guidance contained in the National Planning Policy Framework , in particular paragraphs 58 and 69, support refusal of this application.

2) The proposed extension by reason of its height and rearward projection would have an overbearing impact on the windows in the rear elevation to the detriment of the amenity of the occupiers of the flats. The proposed development is therefore contrary to

the provisions of policy DM1 of the Core Strategy and saved policy DC1 of the Unitary Development Plan for the City of Manchester.

Date: 18 October 2013
