PROPOSED CHANGE OF USE AT

1007 STOCKPORT ROAD, LEVENSHULME, MANCHESTER

WASTE MANAGEMENT STRATEGY

1.0 SCHEME PROPOSALS

The scheme comprises the change of use at ground floor level of an existing building from existing flat to proposed retail shop.

2.0 INTERNAL SEGREGATION & STORAGE OF WASTE

A full height larder unit will be installed within the kitchen area with pull out wire baskets which will be utilised for segregation and temporary storage of recyclables and refuse.

3.0 EXTERNAL BIN STORAGE

A bin store area to the rear of the property will be provided. The storage area will be concrete paved with level access to the pavement and secured with a full height timber door.

4.0 CONTAINER COLLECTION

The property owner will present their bins to the kerbside on collection day and return them to the storage area as soon as possible following collection.
