The following strategy should be prepared using the guidance document available from:

http://www.manchester.gov.uk/opservices/rubbish/developers.htm

1.	**Number of bins proposed?** - Please provide details of the number of bins proposed and how this was calculated.
	1 No. Wheeled bin and separate containers for recycled refuse are provided for general operation of the site. The proposed number of bins was calculated based on the City Councils Waste Storage & Collection Guidance for New Developments.
2.	**Bin storage area** - Please include a plan of the proposed bin storage area, showing the bins that are proposed and the proposed collection point. - Please describe how occupants will transfer waste to the bin store and the distance travelled in doing so.
	Refuse storage area is located within the building as shown on the submitted drawings.
3.	**Bin collection arrangements** - Please describe the bin collection area, including how and where bins will be moved to in order to reach the collection vehicle. - Please include plans showing how the collection vehicle will travel around the site.
	Refuse will be collected on a regular basis from the collection point on Bridge Street.
