Andrea Quinton
Chief Inspector
City of Manchester

Dear Anthony
Ref: Perimeter Fence at East Manchester Academy

I have reviewed the data for crimes and Anti-Social Behaviour around the school and am happy to support the request for a perimeter fence.

The majority of the schools in the North area of Manchester already have perimeter fences. This allows for effective safeguarding of the children attending the school, restricts access unless controlled by the school representatives, reduces vehicle access to the school and reduces criminality and anti-social behaviour at the end of the school day, plus vandalism etc over the evenings, weekends and school holidays.

Within the current climate, I would anticipate that the inclusion of a perimeter fence is mandatory for all new schools, and hence the completion of one for East Manchester Academy is a priority.

Yours faithfully,

Andrea Quinton
Chief Inspector
North Manchester
City of Manchester
Greater Manchester Police.
