Waste Management Strategy statement 46 Deneford, Didsbury, Manchester, M20 2TD

PA Number:- *(to be supplied)*
Development description:- **Semi-detached dwelling**
Development location:- **46 Deneford, Didsbury, Manchester, M20 2TD**
Strategy prepared by:- **Frank Summerfield**
Date Prepared:- **30 August 2013**

1. Number of bins proposed:

No of bins:-	**4 multi-coloured standard householder bins**
Existing	**4 No**
Additional	**Nil**

2. Bin Storage area

The existing arrangement is to store the bins within the rear area.
The transfer travel distance of occupants from store to highway is some 7 metres.

3. Bin collection arrangements

The existing bin storage area is at the rear of the house.
The bins will be taken from the store on the designated collection days for the specific colours and placed at the back edge of the footpath.
After emptying, they will be returned to the bins store area.
