Dear Sir

I refer to your application received on ***21 February 2012*** requesting permission to place table and chairs on the public highway at the above location.

I am pleased to inform you that your request has been approved in principle. However, in order for you to display table and chairs on the highway, legislation also requires that planning consent is given and you will need to make separate application to the Planning Department in this respect. You should include a copy of this letter with your application as proof that you have Highway Authority approval.

Once planning consent has been secured a copy of the consent must be forwarded to me that an invoice for the Table and Chairs license fee can be sent to you.

Upon receipt of payment of the fee, a license will be forwarded to you, entitling you to display tables and chairs on the highway. Please note that only when the fee has been paid and you are in possession of a valid license will the entitlement begin.

Yours faithfully

Pamela Lewis
