Part II – Particulars of Decision

The Manchester City Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 of the following decision

Decision **Refused**
Date of Decision **29 September 2008**

for the carrying out of development referred to in Part 1 hereof in accordance with the application and plans submitted subject to the following conditions:

Part III – Conditions and Reasons

1) The first floor front extension by virtue of its scale and massing, forms an overly prominant and incongruous feature, which unbalances the semi detached property in the street scene. The extension is therefore detrimental to the street scene and to the character of the surrounding area. Therefore, the development is considered to be contrary to City Council policies DC1 and H2.2 of the UDP

for the City of Manchester, Guide to Development in Manchester SPD and PPS1 Delivering Sustainable Development.

2) The front element of the boundary treatment that has been erected on site is overly high and out of character with the boundary treatments to surrounding properties in the area, thereby, forming an incongruous feature in the streetscene, contrary to policy H2.2 of the UDP for the City of Manchester, Guide to Development in Manchester SPD and PPS1 Delivering Sustainable Development.

3) Insufficient information has been submitted with the application relating to the proposed boundary treatment in order to assess adequately the impact of the proposed development having regard to residential amenity. In the absence of this information, it has not been possible to demonstrate that the proposal would comply with Unitary Development Plan policies and other material considerations.

Signed……

Peter Babb, Head of Planning

on behalf of the Council
