

Important – Planning permission & notices of consent

Compliance with conditions

- Your planning approval or consent is attached. It will contain conditions that you must comply with.
- Please read the conditions and understand their requirements and restrictions, for example submission and approval of details or measures to protect trees.
- Some conditions will require action before you start development and it is imperative that you seek to have these discharged before any work commences.
- Whilst every effort has been made to group conditions logically, it is your responsibility to ensure that you are aware of the requirements and/or restrictions of all conditions.
- If you fail to comply with the conditions this may result in a breach of planning control and this may lead to enforcement action.
- Failure to comply with conditions may also result in the development not being lawful.
- It is in your interests to demonstrate that conditions have been complied with. Failure to do so may cause difficulties if the property is sold or transferred.
- A fee is payable for each request to discharge conditions.
- For advice on any of these matters, please contact Planning, Manchester City Council, PO Box 532, Town Hall, Manchester M60 2LA or email planning@manchester.gov.uk

Part 1 – Particulars of the application/development

Proposal: Erection of a two storey dwellinghouse following demolition of existing property

Location: 44 Kingston Road, Manchester, M20 2SB

Date of application: 10 February 2022

Application number: 132902/FO/2022

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Approved** in accordance with the application and plans submitted subject to the condition(s) listed below (if any).

Article 35 Declaration

The local planning authority in making its decision has had due regard to paragraph 47 of the National Planning Policy Framework as well as the development plan, national planning policy and other material considerations and has approved the application subject to appropriate conditions and for the reasons outlined in this delegated report. The consultation process including posting of site notices raised a concern regarding the impacts on neighbouring occupiers, which has been taken into consideration in the assessment and determination of the application.

Condition(s) attached to this decision

1) The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason - Required to be imposed pursuant to Section 91 of the Town and Country Planning Act 1990.

2) The development hereby approved shall be carried out in accordance with the following drawings and documents as received on the 10th of February 2022 or as stated:

Heritage Statement prepared by Pegasus Group; Ref: P21-3174, dated: February 2022

Reason - To ensure that the development is carried out in accordance with the approved plans, pursuant to policies SP1 and DM1 of the Core Strategy.

3) Above-ground construction works shall not commence until samples and specifications of all materials, including any benefits to reducing CO2 emissions from each material to be used in the external elevations, have been submitted to and approved in writing by the City Council as local planning authority. Thereafter the development shall be carried out in accordance with the approved details.

Reason - To ensure that the appearance and sustainability of the development is acceptable to the City Council as local planning authority in the interests of the visual amenity of the area within which the site is located, pursuant to policies SP1, EN3, EN16 and DM1 of the Core Strategy.

4) a) Within three months of the commencement of development, a scheme for the storage and disposal of refuse including the size and type of bin container for each waste stream, shall be submitted to and approved in writing by the City Council as local planning authority. New developments shall have refuse storage space for segregated waste collection and recycling. Internal and external storage areas are required.

b) The details of the approved scheme shall be implemented as part of the development and shall remain in situ whilst the use or development is in operation.

Reason - In the interests of amenity and public health, pursuant to policy DM1 of the Core Strategy for the City of Manchester.

5) The windows across the development serving bathrooms and WC's, shall be obscure glazed to a specification of no less than 5 of the Pilkington scale and shall be retained at all times thereafter.

Reason - In the interests of residential amenity and to ensure a satisfactory development, pursuant to policy DM1 of the Core Strategy.

6) In the event that ground contamination, groundwater contamination and/or ground gas are encountered on the site at any time before the development is occupied during the watching brief, then development shall cease and/or the development shall not be occupied until a report detailing what measures, if any, are required to remediate the land (the Remediation Strategy), is submitted to and approved in writing by the City Council as local planning authority and the development shall be carried out in accordance with the agreed Remediation Strategy. If no contamination is found, then a post-completion report shall be submitted to evidence this.

Reason - To ensure that the presence of or the potential for any contaminated land and/or groundwater is detected and appropriate remedial action is taken in the interests of public safety, pursuant to EN17 of the Unitary Development Plan for the City of Manchester.

7) Prior to first use or occupation of the site, a scheme for the provision of cycle parking within the curtilage of the site shall be submitted to and approved in writing by the City Council as Local Planning Authority. The approved scheme shall be implemented and retained in situ and available whilst the development is in use.

Reason - To secure an increase in the modes of sustainable travel options available to the site and to improve local air quality pursuant to Core Strategy policies T1, T2 and EN16.

8) The development hereby approved shall not be occupied unless and until provision for an electric vehicle charging point within the curtilage of the site has been submitted to and approved in writing by the City Council as Local Planning Authority. The approved scheme shall be implemented and retained in situ and available whilst the development is in use.

Reason - To promote sustainable development and in the interests of securing a reduction in CO2 emissions, pursuant to policies DM1 and EN16 in the Core Strategy.

9) The scheme for the protection of retained trees and tree replacements in mitigation of tree loss to facilitate the development hereby approved, shall be implemented in accordance with the details as set out in the Tree Survey and Planting Plan Ref: RTS/04022021/TPP 001 and Tree Appraisal Report prepared by Rowbottom's Tree Services Ltd Ref: RTS/04022021 Rev 001; dated 4 February 2021.

Reason - To protect the character of the Conservation Area and to improve the opportunities for biodiversity and air quality gain, pursuant to saved UDP policy DC18.1 and policies EN3, EN16 and DM1 of the Manchester Core Strategy.

10) In this condition "retained tree" means an existing tree, shrub or hedge which is to be as shown as retained on the approved plans and particulars; and paragraphs (a) and (b) below shall have effect until the expiration of 5 years from the date of the occupation of the building for its permitted use.

(a) No retained tree shall be cut down, uprooted or destroyed, nor shall any retained tree be topped or lopped other than in accordance with the approved plans and particulars, without the written approval of the local planning authority. Any topping or lopping approved shall be carried out in accordance with British Standard 5387 (Trees in relation to construction)

(b) If any retained tree is removed, uprooted or destroyed or dies, another tree shall be planted at the same place and that tree shall be of such size and species, and shall be planted at such time, as may be specified in writing by the local planning authority.

(c) The erection of fencing for the protection of any retained tree shall be undertaken in accordance with the approved plans and particulars before any equipment, machinery or materials are brought on to the site for the purposes of the development, and shall be maintained until all equipment, machinery and surplus materials have been removed from the site. Nothing shall be stored or placed in any area fenced in accordance with this condition and the ground levels within those areas shall not be altered, nor shall any excavation be made, without the written consent of the local planning authority.

Reason - In order avoid damage to trees/shrubs adjacent to and within the site which are of important amenity value to the area and in order to protect the character of the area, in accordance with policies EN9 and EN15 of the Core Strategy.

11) No works, including works to trees and shrubs shall take place during the main bird breeding season 1st March and 31st July inclusive, unless a competent ecologist has undertaken a careful, detailed check of vegetation for active birds' nests immediately before the vegetation is cleared and provided written confirmation that no birds will be harmed and/or that there are appropriate measures in place to protect nesting bird interest on site. Any such written confirmation should be submitted to the local planning authority.

Reason - To ensure the protection of habitat of species that are protected under the Wildlife and Countryside Act 1981 or as subsequently amended and to comply with policy EN15 of the Core Strategy.

12) Prior to the commencement of any development a Construction Management Plan shall be submitted to and approved in writing by the City Council as local planning authority. The development shall be implemented in accordance with the agreed Construction Management Plan and shall include:

- The routing of construction traffic;
- Detail the quantification/classification of vehicular activity associated with the construction including commentary on types and frequency of vehicular demands together with evidence (appropriate swept-path assessment);
- Details of the location and arrangements for contractor parking;
- The identification of the vehicular access points into the site for all construction traffic, staff vehicles and Heavy Goods Vehicles;
- Identify measures to control dust and mud including on the surrounding public highway including: details of how the wheels of contractor's vehicles are to be cleaned during the construction period;
- Specify the working hours for the site;
- The details of an emergency telephone contact number for the site contractor to be displayed in a publicly accessible location on the site from the commencement of development until construction works are complete
- Identify advisory routes to and from the site for staff and HGVs;

- A highway dilapidation survey including photographs and commentary on the condition of carriageway / footways on construction vehicle routes surrounding the site.

Reason - In the interest of pedestrian and highway safety, and to ensure that the proposed development is not prejudicial or a nuisance to adjacent dwellings pursuant to policy DM1 of the Core Strategy. Details are required prior to works commencing on site as the impacts of construction works to deliver the development require mitigation.

13) Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (or any order revoking and re-enacting that Order with or without modification) none of the apartments hereby approved shall be used for any other purpose (including any other purpose in Class C3 of the Schedule to the Town and Country Planning (Use Classes) Order 1987 as amended by The Town and Country Planning (Use Classes) (Amendment) (England) Order 2010, or in any provision equivalent to that Class in any statutory instrument revoking and re-enacting that Order with or without modification) other than the purpose(s) of C3(a).

Reason - In the interests of residential amenity, to safeguard the character of the area and to maintain the sustainability of the local community through provision of accommodation that is suitable for people living as families pursuant to policies DM1 and H11 of the Core Strategy for Manchester and the guidance contained within the National Planning Policy Framework.

14) Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 or any legislation amending or replacing the same, no garages, extensions or elevational alterations shall be erected other than those expressly authorised by this permission.

Reason - In the interests of the visual and residential amenities of the site and of biodiversity, pursuant to saved policies DC1 and DC18 of the Unitary Development for the City of Manchester and policies EN3, DM1 and SP1 of the Core Strategy.

15) Prior to the erection of the above ground super structure, an environmental standards statement outlining how the development will incorporate sustainable development measures to follow principles of Code for Sustainable Homes including measures to secure predicted carbon emissions and the attainment of specified environmental efficiency and performance, shall be submitted to and approved in writing by the Local Planning Authority. Within 3 months of the completion of the construction of the authorised development a verification statement shall be submitted to and approved in writing, by the City Council as local planning authority, confirming the incorporation of the specified measures at each phase of the construction of the development, including dated photographic documentary evidence of the implementation and completion of required works.

Reason - In order to minimise the environmental impact of the development pursuant to policies SP1, EN4-EN7 and DM1 of the Core Strategy for the City of Manchester and the principles contained within The Guide to Development in Manchester SPD (2007) and the National Planning Policy Framework.

This permission does not grant approval under Building Regulations.

Street Naming & Numbering Requirements

Manchester City Council is responsible for allocating street naming and numbering within Manchester for new developments or property conversions. Individuals or businesses are not permitted to allocate their own property numbers, building or street names.

If your development includes the creation of new dwellings (either new build or conversion of existing buildings), creation of new commercial properties or the subdivision of existing properties you must ensure that you request new or changes to addresses through us so they can be officially allocated and registered in accordance with the Public Health Act 1925 Sections 17-19 & Greater Manchester Act 1981 Section 22.

Failure to do this may result in difficulties for the developer/occupier when requiring services such as connections to utilities, phone lines and postal services and may delay your development.

You can apply online at the following address:

http://www.manchester.gov.uk/info/100011/roads_parking_and_transport/1988/naming_and_numbering_of_houses_buildings_streets_and_roads/2

1) The applicant is advised that any requirements for licensing, hoarding / scaffolding, building maintenance and any associated temporary traffic management arrangements will need discussion and agreement with the council's Highways Applications and Network

Resilience teams via Contact Manchester (Tel. 0161 234 5004).

2) Construction/demolition works shall be confined to the following hours unless otherwise agreed in writing by the City Council as local planning authority:

Monday - Friday: 7.30am - 6pm

Saturday: 8.30am - 2pm

Sunday / Bank holidays: No work

Reason - To safeguard the amenities of nearby residents pursuant to policies SP1, EN19 and DM1 of the Manchester Core Strategy.

3) The developer should refer to MCC's Air Quality Guidance Note regarding Electric Vehicle Charging and also IAQM guidance for further information re: boilers etc if relevant.

Notes

1. This permission refers only to that required under the Town and Country Planning Act 1990 does not include any consent or approval under any other enactment, byelaw, order or regulation.

2 If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of the notice of the decision.

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/planning-inspectorate. The Inspectorate will publish details of your appeal on the internet. Alternatively If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the City Council (planning@manchester.gov.uk) and the Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

3. The statutory requirements are those set out in Section 79(6) of the Town and Country Planning Act 1990, namely Sections 70(1) and 72(1) of the Act.

4. If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
