Part II – Particulars of Decision

The Manchester City Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 of the following decision

for the carrying out of development referred to in Part 1 hereof in accordance with the application and plans submitted subject to the following conditions:

Part III – Conditions and Reasons

1) The conversion of a single family dwellinghouse into three apartments would be detrimental to the supply of a balanced mix of houses in this part of Crumpsall and would have a detrimental impact on the character of the local area and fail to maintain a sustainable community, contrary to policies H1.2 and H2.2 of the Unitary Development Plan for the City of Manchester and guidance

contained in the Guide to Development in Manchester 2 , Planning Policy Statement 1 and Planning Policy Statement 3.

2) The proposal for the dwelling represents an over intensive use of the property that would increase congestion in the area and lead to an increase incomings and goings that would be detrimental to amenity of adjacent properties and contrary to policies CC1(c) and H2.2 of the City Council's Unitary Development Plan.

3) The amount of private amenity space proposed would be inadequate to meet the needs of future occupiers of the flats and would be contrary to policy DC 5.1 (e) and H2.5 of the City Council's Unitary Development Plan

4) The siting of a bin store in the front garden would be highly visible in the street scene and the laying out of a car park at the rear of the property would detract from the character of the Crumpsall Lane / Seymour Road Conservation Area contrary to policies E2.7 and Dc18 of the City Council's Unitary Development Plan.
