MANCHESTER CITY COUNCIL

Important Planning permission & notices of consent

Compliance with conditions

- Your planning approval or consent is attached. It will contain conditions that you must comply with.
- Please read the conditions and understand their requirements and restrictions, for example submission and approval of details or measures to protect trees.
- Some conditions will require action before you start development and it is imperative that you seek to have these discharged before any work commences.
- Whilst every effort has been made to group conditions logically, it is your responsibility to ensure that you are aware of the requirements and/or restrictions of all conditions.
- If you fail to comply with the conditions this may result in a breach of planning control and this may lead to enforcement action.
- Failure to comply with conditions may also result in the development not being lawful.
- It is in your interests to demonstrate that conditions have been complied with. Failure to do so may cause difficulties if the property is sold or transferred.
- A fee of £85 is payable for each request to discharge conditions.
- For advice on any of these matters, please contact Planning, Manchester City Council, PO Box 532, Town Hall, Manchester M60 2LA or email planning@manchester.gov.uk

Part 1 Particulars of the application/development

Proposal: Erection of two storey building to form 2 no. two-bedroom, self-contained flats

Location: Land Between 24 And 26/28 Abergele Road, Fallowfield, Manchester, M14 6GN

Date of application: 10 August 2012

Application number: 100184/FO/2012/S1

Part 2 Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Approved** in accordance with the application and plans submitted subject to the condition(s) listed below (if any).

Reason(s) for decision

Approve on the basis that the proposal is in accord with the City Council's Core Strategy in particular policy SP1 which seeks to ensure that development contribute to making neighbourhoods of choice, policy H6 says that priority will be given to meeting identified shortfalls and policy DM1 which seeks to protect the amenity of residents from the affects of developments and there are no material considerations of sufficient weight to indicate otherwise. The guidance contained in the National Planning Policy Framework supports approval of this application.

Condition(s) attached to this decision

1) The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason - Required to be imposed pursuant to Section 91 of the Town and Country Planning Act 1990.

2) The development hereby approved shall be carried out in accordance with the following drawings and documents unless otherwise agreed in writing by the City Council as Local Planning Authority: 2658/AC/01-SL01, 100, 101, 105A, 106A, 108B, 110 and 112.

Reason - To ensure that the development is carried out in accordance with the approved plans. Pursuant to policies SP1, H6 and DM1 of the Core Strategy.

3) No development that is hereby approved shall commence unless and until samples and specifications of all materials to be used on all external elevations of the development have been submitted to and approved in writing by the City Council as local planning authority. The development shall be constructed only using the approved materials unless otherwise agreed in writing by the City Council as local planning authority.

Reason - To ensure that the appearance of the development is acceptable to the City Council as local planning authority in the interests of the visual amenity of the area within which the site is located, as specified in policies Sp1, H6 and DM1 of the Core Strategy.

4) The hard and soft landscaping scheme approved by the City Council as local planning authority shown on drawing ref 105A;, shall be implemented not later than 12 months from the date of commencement of works. If within a period of 5 years from the date of the planting of any tree or shrub, that tree or shrub or any tree or shrub planted in replacement for it, is removed, uprooted or destroyed or dies, or becomes, in the opinion of the local planning authority, seriously damaged or defective, another tree or shrub of the same species and size as that originally planted shall be planted at the same place, unless otherwise agreed in writing by the City Council as local planning authority.

Reason - To ensure that a satisfactory landscaping scheme for the development is carried out that respects the character and visual amenities of the area, in accordance with policies SP1, H6 and DM1of the Core Strategy.

5) Before the development commences a scheme for acoustically insulating the residential accommodation against noise from the adjacent railway shall be submitted to and approved in writing by the City Council as local planning authority. The approved noise insulation scheme shall be completed before any of the dwelling units are occupied.

Reason - To secure a reduction in noise from the adjacent railway in order to protect future residents from noise nuisance, pursuant to policies SP1, H6 and DM1 of the Core Strategy.

6) In this condition "retained tree" means an existing tree, shrub or hedge which is to be as shown as retained on the approved plans and particulars; and paragraphs (a) and (b) below shall have effect until the expiration of 5 years from the date of the occupation of the building for its permitted use.

(a) No retained tree shall be cut down, uprooted or destroyed, nor shall any retained tree be topped or lopped other than in accordance with the approved plans and

particulars, without the written approval of the local planning authority. Any topping or lopping approved shall be carried out in accordance with British Standard 5387 (Trees in relation to construction)

(b) If any retained tree is removed, uprooted or destroyed or dies, another tree shall be planted at the same place and that tree shall be of such size and species, and shall be planted at such time, as may be specified in writing by the local planning authority.

(c) The erection of fencing for the protection of any retained tree shall be undertaken in accordance with the approved plans and particulars before any equipment, machinery or materials are brought on to the site for the purposes of the development, and shall be maintained until all equipment, machinery and surplus materials have been removed from the site. Nothing shall be stored or placed in any area fenced in accordance with this condition and the ground levels within those areas shall not be altered, nor shall any excavation be made, without the written consent of the local planning authority.

Reason - In order avoid damage to trees/shrubs adjacent to and within the site which are of important amenity value to the area and in order to protect the character of the area, in accordance with SP1, H6 and DM1 of the Core Strategy.

7) The wheels of contractors vehicles leaving the site shall be cleaned and the access roads leading to the site swept daily in accordance with a management scheme submitted to and approved in writing by the City Council as local planning authority prior to any works commencing on site.

Reason - In the interest of pedestrian and highway safety, as specified in policy DM1 of the Core Strategy.

8) The windows in both the side elevations shall be obscure glazed to a specification of no less than level 5 of the Pilkington Glass Scale or such other alternative equivalent and shall remain so in perpetuity.

Reason - To protect the amenity and living conditions of adjacent residential property from overlooking or perceived overlooking and in accordance with Policy DM1 of the Core Strategy.

9) Before works commence on site a method statement should be submitted to local planning authority for the treatment and eradication of Japanese knotweed. The works identified in the approved report shall be implemented in full.

Reason - It is an offence under the Wildlife and Countryside Act 1981 to recklessly or intentionally spread Japanese knotweed, which is a highly invasive non-native plant and therefore contrary to the provisions of policy EN15 of the Core Strategy.

Informatives

This permission does not grant approval under Building Regulations.

Cringle Brook is designated "Main River" and is subject to Byelaw Control. In particular, no works may take place within 8 metres from the bank top of the watercourse without the prior consent of the Environment Agency. Consent is also required under the Water

Resources Act 1991, for any works on, over or within the channel of the watercourse, including construction of surface water outfalls.

The Environment Agency have powers to carry out maintenance or improvement works on all "main river", however, these powers are discretionary and the ultimate responsibility for the repair and maintenance of the bed, banks and any structure thereon rests with the riparian landowner. It is the Environment Agency's policy to utilise the Land Drainage Byelaws to control development in order to ensure access is available for future maintenance.

Notes

1. This permission refers only to that required under the Town and Country Planning Act 1990 does not include any consent or approval under any other enactment, byelaw, order or regulation.

2. If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, he may appeal to the First Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of the notice of the decision.

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the Appeals area of the Planning Portal www.planningportal.gov.uk/pcs. The Inspectorate will publish details of your appeal on the internet (on the Appeals area of the Planning Portal).

This may include a copy of the original planning application form and any supporting documents supplied to the local planning authority. By you or your agent, together with the completed appeal form and information you submit to the Planning Inspectorate. Please ensure that you only provide information, including personal information, that you are happy will be made available to others in this way. If you supply personal information belonging to a third party please ensure you have their permission. More detailed information about data protection and privacy matters is available on the Planning Portal.

Alternatively, appeals can be made on a form which is obtainable from Planning Inspectorate, Customer Support Unit, Room 3/15, Eagle Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 or by telephone 0117 372 6372.

The First Secretary of State has power to allow a longer period for the giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal.

3. The statutory requirements are those set out in Section 79(6) of the Town and Country Planning Act 1990, namely Sections 70(1) and 72(1) of the Act.

4. If either the local planning authority of the First Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the First Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
