Appendix 3

Evidence of Original Fence Height in 1993

Fence Height (2.1m including Concrete Gravel Board)

The fence height has always been this high ever since current occupants moved to this property in November 1991. The attached is a photograph of two of the children dated 02 March 1993 showing the height of the fence at that time. The two children were eight and three years old. They are now 28 and 23 years old respectively.
