SCHEDULE

Description of Works or Purposes
and any condition attached to the Faculty

2015

To undertake the following works: a) To reform parapet gutters and re-line in lead; to renew the lower slopes of the church roof with lead in lieu of a current GRP flagpole with a new GRP flagpole with integral lighting conductor; to provide the church with new lighting protection installation. All as detailed in drawings 6594(01)01, (01)02, (04)01, and (27)01 provided by Buttress Fullor Alsop Williams Ltd and in their Specification; To provide a new mechanism to the tower clock as detailed in the quotation from Smith of Derby Ltd. And: To seek the approval of the Chancellor to enter into an agreement issued under the Joint English Heritage/ Lotteries Board

<u>On condition that:</u>

No works shall be carried out to the tower clock without the Chancellor's prior approval

--o0o--

This Faculty is varied so the proposed works to the clock tower are now authorised to proceed.

..... .

Diocesan Registrar
Dated this 29th day of May 2012.

This Faculty is varied to include the replacement of slates on the upper slopes of the nave with lead and renewal of lead to the apse roof, in accordance with the specification attached to the email of Stephen Welsh dated 11 January 2013.

The time by which the works authorised by faculty must be completed has hereby extended to 31 December 2013.

If by that time, the works have not been completed then a new faculty must be sought.

..... .

Diocesan Registrar
Dated this 12th day of July 2013.
