THE ALCHEMIST

The Alchemist New York Street, Manchester

Maintenance Strategy for the Outside Seating area

- The outside area will be manned by staff during operating hours
- The management will oversee and ensure that the area is fully maintained
- Ashtrays in the area will be cleaned on a two butt rule basis
- Furniture will be checked on a daily basis and replaced as required.
- Furniture will be cleaned thoroughly in accordance with our cleaning rota.
- Furniture is included in the monthly front of house health check carried out by a representative from Head Office.
- Maintenance personnel will make any necessary repairs to outside furniture.
- Outside lighting will be inspected during the pre-opening check and bulbs replaced as required.
- Exterior heating will be in operation as required.

The DPS and Management team of The Alchemist take full responsibility of all area within the domain. We operate on a Good Neighbour policy and insist on highest standards at all times.
