The applicant has been advised that the site is located in an area with a high concentration of apartment type residential accommodation and has been made aware that the proposed use, for the reasons outlined below, would not accord with Core Strategy policy H6.

Reason(s) for decision

1) The proposal would lead to the introduction of six 1 bed apartments in an area with an over representation of such uses and the capability of creating levels of occupation, which would have a detrimental impact on the sustainability and character of the area and undermine the objectives of the City Council with regard to the formation of sustainable, inclusive and mixed communities in all areas.
