Part 1 – Particulars of the application/development

Proposal: Change of use of front section of single storey building to 1 bedroom studio apartment (Use Class C3a)

Location: 14A Worsley Avenue, Moston, Manchester, M40 9NA

Date of application: 17 October 2013

Application number: 103960/FO/2013/N1

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 31 Declaration

Officers have worked with the Agent in a positive and proactive manner based on seeking solutions to problems arising in relation to dealing with the planning application. In this case, it has been necessary to provide the Applicant with a reasoned justification as to why it is considered that the development fails to meet the requirements of planning policy as expressed in the Core Strategy for the City of Manchester, and the NPPF.

Reason(s) for decision

1) The Application fails to demonstrate that the residential accommodation will provide a sustainable living environment for future occupiers and the occupiers of neighbouring residential properties, including the incorporation of sufficient private usable amenity space, off-street car parking, and appropriate refuse provision, which is contrary to policies DM1 and H1 of Manchester's Core Strategy, and saved policies DC5.1 and DC5.3 of the Unitary Development Plan for the City of Manchester.

2) The proposed one bedroom studio apartment is contrary to policies H3 and DM1 of Manchester's Core Strategy, as the proposal will introduce a low quality residential unit into an area undergoing regeneration of housing stock, and predominantly characterised by family housing, having a harmful affect upon the character of the area and the regeneration initiatives.
