Waste Management Strategy

MANCHESTER CITY COUNCIL

RECD - 1 MAY 2008
FOR ACTION

PA Number:	085880 / FO / 2008
Development description:	Church Of The Nazarene
Development location:	Tollgate Close, Longsite
Strategy prepared by:	Chris J. Gowans
Date Prepared:	25th April 2008

Notes

The following strategy should be prepared using the guidance document available from:

http://www.manchester.gov.uk/opservices/rubbish/developers.htm

1.	**Number of bins proposed?** - Please provide details of the number of bins proposed and how this was calculated.
	Continue to use one large bin, However, it is currently only emptied once a week, This will kept under review if the usage of the facility increases.
2.	**Bin storage area** - Please include a plan of the proposed bin storage area, showing the bins that are proposed and the proposed collection point. - Please describe how occupants will transfer waste to the bin store and the distance travelled in doing so.
	The bin is kept in the parking enclosure of the church, in the southern corner of the fenced parking area (On the left hand side of the gated area as you would enter the parking compound) On the day(s) of collection / Pickup, the gates are unlocked.
3.	**Bin collection arrangements** - Please describe the bin collection area, including how and where bins will be moved to in order to reach the collection vehicle. - Please include plans showing how the collection vehicle will travel around the site.
	The large waste recaptacle is located approx. 15m from the rear door of the church building. This is how users will access the facility. Please see attatched Sibcas drawing showing the refuse vehicles route of travel on site.

For MCC use only
