PLANNING AND BUILDING CONTROL
09 JUL 2013

4/July/13

I have tried desperately to get your on-line application to work.

(1) I wish to apply to have a sycamore in my back garden. crown reduced by 50% — create more light in my + my neighbours gardens

(2) To remove an overhanging branch of an elder tree.

3) To reduce the elder by 10%

4) To remove a sycamore sapling — I intend to use the services of Nick Bailey.

Please see overleaf for diagram.
