Dear Mike

We have been instructed by RCP Car Parking, to seek temporary planning consent for a pay and display car park, for land off Chester Road, formally known as the Tom Garner Site. Further to discussions with the Council and Manchester Highways, it has identified that the best access would be off Owen Road.

As part owner of Owen Road, we would like to notify you of the planning application (ref: 101973/FO/2013). I understand a represent from RCP Car Parking, has spoken to you already, to discuss right of way, however, if you have any questions regarding the application or any other arrangements, please do not hesitate to contact me.

Yours sincerely
