In respect of the transport / storage details (and following your numbering system for ease of reference): -

Applications ref: 100118 and 100119 (Cenotaph)

1. It is intended that the Cenotaph be dismantled by December 2012.
2. It has yet to be decided whether the Cenotaph will go into storage or go to the stonemasons. Further details will be provided once a decision has been taken.
3. The storage facility is Eura Construction, Unit H2, Halesfield 19, Telford TF7 4QT.
4. The structures will be carefully dismantled, placed into boxes and transported by a drop sided truck with off load facility / crane.
5. The re-instatement date would be by November 2013 (in advance of Remembrance Sunday).

Applications ref: 100120 and 100121 (Cross)

1. It is intended that the Cross be dismantled by December 2012.
2. The Cross will be in storage for approximately 3 years.
3. The storage facility is Eura Construction, Unit H2, Halesfield 19, Telford TF7 4QT.
4. The structures will be carefully dismantled, placed into boxes and transported by a drop sided truck with off load facility / crane.
5. The re-instatement date would be by November 2015.
