Bridle path onto meadows

y

1
2 } Self seeded Sycamores - outgrowing garden
5 / rocks cracking path. Want removing - Replace with low growing shrubs

PLANNING AND
BUILDING CONTROL

23 JAN 2013

A3
A4 } Hawthorns - Crowns reducing please

A6 to A9. - Hawthorns on football ground
producing too much shade on veg plot.
Have been reduced before

A10 to A22 - Self Seeded Sycamores on Football ground.
These have been cut down before + have
regrown. They are casting too much shadow
over veg plot limiting light + veg growth.
Mr Turley is in agreement,
Re-plant with low growing evergreen shrubs

except A19 } Hawthorns - crown reducing
+ A20 /

A23 - Self seeded Sycamore on Bridle path
- my land - which is inhibiting the growth new
hedge - I would like this removed.
