Notes
The following strategy should be prepared using the guidance document available from:

http://www.manchester.gov.uk/site/scripts/documents.php?categoryID=10006develop.him

1.	**Number of bins proposed?** - Please provide details of the number of bins proposed and how this was calculated.
	24 bins, with each flat being provided with a) general waste, b) paper & c) compostable waste.
2.	**Bin storage area** - Please include a plan of the proposed bin storage area, showing the bins that are proposed and the proposed collection point. - Please describe how occupants will transfer waste to the bin store and the distance travelled in doing so.
	maximum travel distance from front door to bin store will be 8 metres.
3.	**Bin collection arrangements** - Please describe the bin collection area, including how and where bins will be moved to in order to reach the collection vehicle. - Please include plans showing how the collection vehicle will travel around the site.
	Bins will be collected from the car parking area where they will be left on 'pick up' day.
