John,

159 Palatine Road Manchester M20 2GH - 131950/TCA/2021

The applicant has proposed to carry out the following pruning work:

- Bird Cherry (T1) Prune to bring away from other tree and tidy over hanging branches*
- Honey Locust (T2) Prune to bring away from other trees and tidy over hanging branches*
- Magnolia (T3) Prune to provide light to flower beds Japanese Dogwood*
- (T4) Prune to provide light to flower beds*
- Maple (T5) Prune to bring away from other trees and tidy over hanging branches*

Ideally, we would prefer a more comprehensive pruning spec, however, I can see what the applicant is trying to achieve and therefore we would have no objection.

Kind regards
