Morning Sue,

Following our telephone conversation yesterday, please see below confirmation from contractor of road sweeping intervals as requested.

I trust this will assist in the amendment of the condition as discussed, however should you have any queries or require any further information please feel free to contact me

Kind Regards

Gareth Roberts

Morning Gareth,

With regards to the road sweeping carried out on site ,I confirm that the road sweeper is on site for a minimum of 4 hours on every Mondays , Wednesdays and Fridays , or as and when required due to the conditions . These visits are all carried out mainly in the afternoons following most deliveries to site .

I trust this is satisfactory .

Regards

Dave Fellows
