Application for a Lawful Development Certificate for a Proposed Use or Development

Town and Country Planning Act 1990 (as amended)

Publication of applications on planning authority websites

Please note that the information provided on this application form and in supporting documents may be published on the Authority's website. If you require any further clarification, please contact the Authority's planning department.

Site Location

Disclaimer: We can only make recommendations based on the answers given in the questions.

If you cannot provide a postcode, the description of site location must be completed. Please provide the most accurate site description you can, to help locate the site - for example "field to the North of the Post Office".

Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations?

- ☒ Yes
☐ No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

Installling Solar PV. Six panels will be mounted on the street facing side of the roof.

Does the proposal consist of, or include, a change of use of the land or building(s)?

- ☐ Yes
☒ No

Has the proposal been started?

- ☐ Yes
☒ No

Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The property is in Whalley Range Conservation area. While the work is routine, we wish to obtain a certificate of lawful development to ensure the correct channels have been consulted.

There are examples of similar improvements in the conservation area, so a precedent has been set.

The panels are being installed as part of the Green Homes Grant Local Authority Delivery Scheme to help reduce fuel poverty and meet the carbon targets for the region.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

I attach the design document that illustrates what will be installed.

Select the use class that relates to the existing or last use.

C3 - Dwellinghouses

Please note that following changes to Use Classes on 1 September 2020: The list includes the now revoked Use Classes A1-5, B1, and D1-2 that should not be used in most cases. Also, the list does not include the newly introduced Use Classes E and F1-2. To provide details in relation to these or any 'Sui Generis' use, select 'Other' and specify the use where prompted. See help for more details on Use Classes.

Information about the proposed use(s)

Select the use class that relates to the proposed use.

C3 - Dwellinghouses

Please note that following changes to Use Classes on 1 September 2020: The list includes the now revoked Use Classes A1-5, B1, and D1-2 that should not be used in most cases. Also, the list does not include the newly introduced Use Classes E and F1-2. To provide details in relation to these or any 'Sui Generis' use, select 'Other' and specify the use where prompted. See help for more details on Use Classes.

Is the proposed operation or use

- ☒ Permanent
☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

Solar PV is a vital measure to help the region hit its carbon targets. Other houses in the conservation area have installed panels, which sets a precedent. The installation will be MCS certified, which includes a requirement to consider the aesthetic impact of the installation.

GMCA has secured funding to make improvements to homes with a low energy efficiency rating and low household income. This property meets that criteria and would benefit greatly from the installation of Solar PV.

Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- ☒ Yes
☐ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- ☒ The agent
☐ The applicant
☐ Other person

Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?

- ☐ Yes
☒ No

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
☒ No

Interest in the Land

Please state the applicant's interest in the land

- ☒ Owner
☐ Lessee
☐ Occupier
☐ Other

Declaration

I / We hereby apply for Lawful development: Proposed use as described in this form and accompanying plans/drawings and additional information. I / We confirm that, to the best of my/our knowledge, any facts stated are true and accurate and any opinions given are the genuine options of the persons giving them. I / We also accept that: Once submitted, this information will be transmitted to the Local Planning Authority and, once validated by them, be made available as part of a public register and on the authority's website; our system will automatically generate and send you emails in regard to the submission of this application.

☒ I / We agree to the outlined declaration

Signed

Dave Bailey
