For the attention of Ms Jennifer Connor

Dear Ms Connor

Metrolink Phase 3B – East Didsbury Line
Application No: 094623/MO/2010/S2
Proposal: RESERVED MATTERS application for the details of the appearance, landscaping and scale of the site and associated development including the ramps, lift enclosure, staff rest room, platforms and shelters together with other associated stop equipment
Location: Railway Cutting Adjacent to Olive Shapley Avenue, Didsbury, Manchester
Application for variation of a condition following grant of full planning permission

As recently discussed MPT would like to apply for the variation of condition 2 following a grant of full planning permission for the Didsbury Village Stop as part of the East Didsbury Line. MPT are requesting a change of condition due to the requirement for routewide acoustic attenuation fencing and the portion of fencing that is captured within the Planning boundary of the Didsbury Village Stop.

We have completed the application form via the planning portal web site and uploaded the relevant documents and drawings associated. The Planning Portal online application reference number has been confirmed as PP- 02730603

We have applied for the variation of Condition 2

Our submission includes the following information.

1. A copy of the completed form "Application for variation of a condition following grant of planning permission".

2. The fee of £195.00 payable to Manchester City Council
3. 1 no. copy of each of the supporting documents and drawings uploaded to the planning portal web site as listed below.
