Artificial grass for your safe surfaces

Facts:

- So grass-like fully porous
- Won't graze skin
- Available in 1.0, 1.5 and 2.0 critical fall heights
- Flame retardant
- 5 year guarantee
- Maintenance-free grass for 20 years

Soft to the touch and gentle on young skin, NoMow Extreme is our most popular safety surface. A special fibre-fill construction builds in bounce and comfort and makes sure the pile stands up to rough and tumble.

NoMow Extreme grass prices are available on application. Contact us now for details.

Is it right for me?

If keeping children safe is your priority, NoMow artificial grass is perfect for you.

Accidents can happen. That's why it's vital to know you've done everything in your power to make playtime in your nursery or school as safe as it can be. With NoMow, you're covered. Our safety surfaces have passed hundreds of independent tests and meet the most stringent safety standards. Soft landings and hazard-free fun are guaranteed.

That's not all. With NoMow, safety doesn't mean you have to compromise on good looks. NoMow has all the beauty of real grass and feels soft and comfortable to the touch. It won't graze delicate young skin. And it won't ask for expensive maintenance to keep it looking good. There's no mowing, feeding or watering. This is grass that retains its safety properties in all conditions. There's no mud in the wet and no hard, bare earth in the heat. Just lush green grass that is totally consistent and ready for play every day of the year.

Customer Feedback

"Dear Liz, I just wanted to drop a quick note to say thanks for all your help and to say how happy we are with the end result! So far we have passed on your details to three friends who were so impressed by our garden they are now considering NoMow for theirs! Thanks to everyone involved for making this a very easy and pain free process with very pleasing results!"

– Rich and Liz, Derby
