26t	1230	2540	9440	18	15600	10421mm

Comments

Dimensions and weights are estimates and to be used as a guide only

Assumption that there is a driver and a mate on every vehicle, and non HGV drive on 7.5t or under.

Note bed length on 12 / 14t an be shortend to the same a a 7.5t
