Part 1 Particulars of the application/development

Proposal: Erection of three-storey side extension to form additional living accommodation with attached garage and roof terrace

Location: Kingston Lodge , Kingston Road, East Didsbury, Manchester, M20 2SB

Date of application: 10 December 2012

Application number: 101066/FH/2012/S2

Part 2 Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Approved** in accordance with the application and plans submitted subject to the condition(s) listed below (if any).

Article 31 Declaration

Officers have worked with the applicant in a positive and proactive manner based on seeking solutions to problems arising in relation to dealing with the planning application. The applicant did not seek any pre-application advice from the City Council prior to the submission of this planning application. However, this planning application did not present any issues, with the exception of boundary treatment, that had not been resolved as part of 087096/FH/2008/S2. The positive working enabled an appropriate treatment for the boundary treatment to be devised for this Conservation Area setting. Accordingly, the proposal was considered to be in accordance with the Development Plan.

Reason(s) for decision

Approve on the basis that the proposal is in accordance with the City Council's Core Strategy (July 2012) policies SP1, EN1, EN3 and DM1, extant policies DC1 and DC18 of the Unitary Development Plan for the City of Manchester (1995), the Guide to

Development in Manchester SPD (2007) and there are no material considerations of sufficient weight to indicate otherwise. In coming to this conclusion the Head of Planning has taken into account the Information provided with the application.
